RE: COMPLAINT No.: FEC 08-143 -- DIXIE SPEHAR

Dear Mr. Oliver,

I would like to add these latest documents to my complaint.

Exhibit 1A, is Spehar's 2008 Q1 financial report. On page 3, you will notice that Spehar issued a \$1,114.25 payment to a company, National Campaign Supply Corp, P.O. Box 2522, Key West, FL. That company is no longer a valid FL corporation and was dissolved in 1989 (Exhibit 2A). The company has no current or valid business license in either the City of Key West or Monroe County. Spehar lists her address as that of the defunct corporation.

This company is owned by Brooks White (Exhibit 2A). Brooks White is a known political consultant/ lobbyist well known in this area. Who knows if campaign funds are not being "laundered" through this unlicensed company?

And lastly, (Exhibit 3A) shows Spehar's total disregard for the Elections Commission's finding of "legally sufficient" in regard to my complaint.

Regards,

Paul S. Caruso
